GROW SUPER KLEAN®.

DIRECTIONS: Apply **GROW SUPER-KLEAN®** with a thoroughly wet cloth prior to sanding. Clean one area at a time, and while the surface is wet, wipe thoroughly dry with a clean cloth. Use plenty of clean cloths and discard used cloths in a safety container. **GROW SUPER-KLEAN®** may also be used as a pre-paint cleaner.

4221

JUST B-4®.

DIRECTIONS: Apply liberally to clean cloth. Wipe surface one area at a time. While the surface is still wet, wipe thoroughly dry with a clean cloth. Use plenty of clean cloths and discard used cloths into a safety container. **NOTE:** **4221 JUST B-4®** can also be used as an anti-static spray. Apply a mist coat of **JUST B-4®** over the entire surface to be painted, including surrounding masking. Use a clean spray gun and cup with enough air pressure to adequately atomize the **JUST B-4®** (approximately 20-25 psi). Allow to flash off, tack wipe and apply top coat per normal procedure.
