

RBL Products Presents:

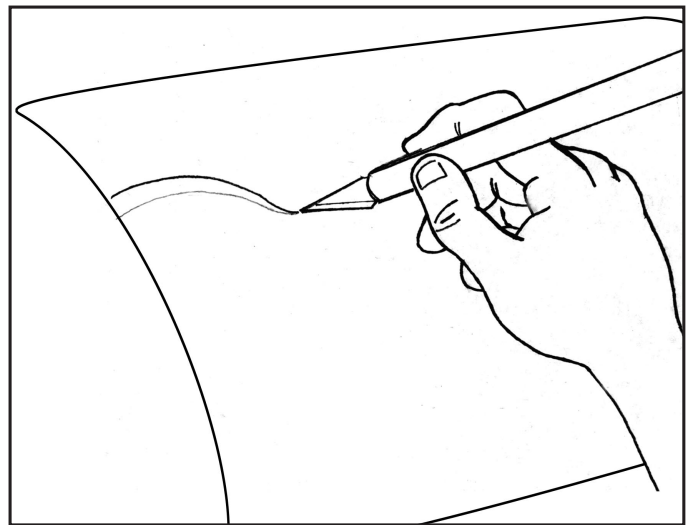

Self-Adhering Tracing/Masking Paper

A self-adhering paper for tracing and cutting out design patterns and for masking off adjacent areas

***Ideal for Graphics - Custom Painting
Truck Lettering - Air Brushing
Motorcycle Art - Automotive Art***

Drawing on the paper

Using an X-acto knife to cut out design

Performance Benefits:

- Conforms to curves and irregular surfaces
- Light tack adhesive enables lifting and repositioning
- Cuts easily with x-acto knife or razor blade
- Removes easily, no adhesive transfer
- Solvent proof
- Eliminates taping paper to surface to draw on
