92250
(Discontinued)

Red-Tred™ Eraser Wheel easily removes decals, pinstripes, two-sided molding adhesive tape & other vinyl graphics.

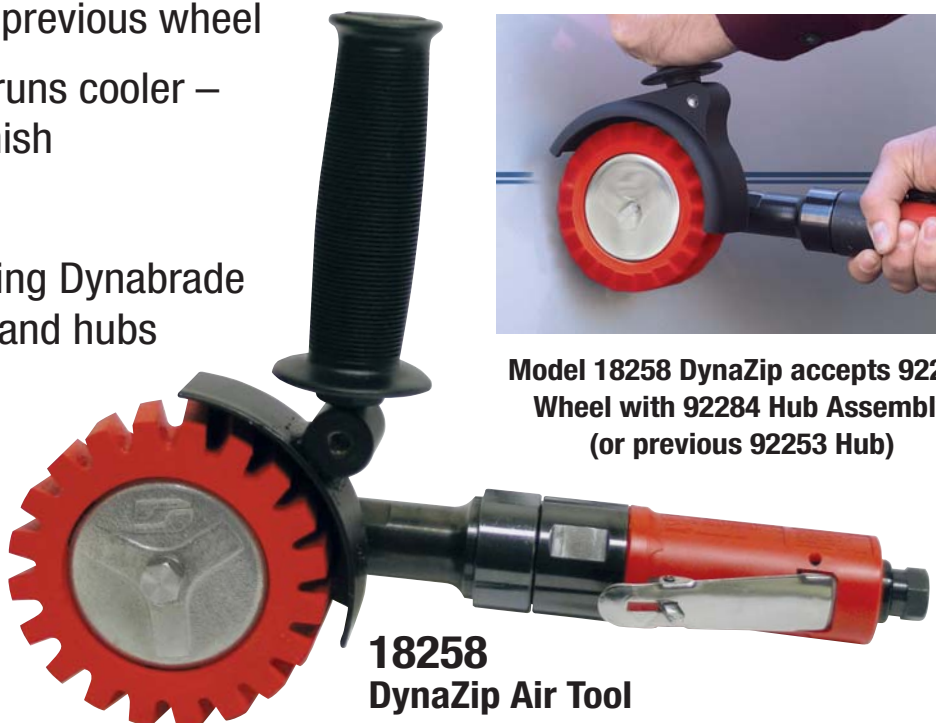

Effective immediately, orders specifying 92250 will be replaced by 92255.

Red-Tred™ Eraser Wheel Features:

- Longer wear life than previous wheel
- New serrated design runs cooler – doesn't harm paint finish
- Reduced pricing
- Compatible with existing Dynabrade and competitor tools and hubs

Model 18258 DynaZip accepts 92255 Wheel with 92284 Hub Assembly (or previous 92253 Hub)
