

TECHNICAL BULLETIN

GOLD CLASS RICH LEATHER CLEANER/CONDITIONER

This luxurious, pH balanced one-step treatment safely cleans and protects fine leather without harmful or harsh solvents. Premium quality cleaners provide a safe cleaning action without stripping natural nutrients or protection. Special oils moisturize and condition leather so it remains rich and supple without adding artificial slickness.

- Part #:** G-7214
- Packaging:** 14 oz lotion - 6 per case
- Features:**
- Cleans, moisturizes & Preserves
 - Aloe & nutrients fight premature aging
 - UV protection
- pH:** 7
- Paintable:** Yes
- Dilution:** RTU (Ready to use)
- Application Method:** Apply by hand, rub, wipe off

Directions: Shake well: Test for colorfastness and compatibility on a small, inconspicuous area first. Apply a small amount on a soft, clean 100% cotton terry cloth towel and rub thoroughly onto surface of leather. Use separate 100% cotton, terry towel for easy wipe off. Keep turning the towel to a clean side for best results. Use on all interior automotive leather surfaces. This product is also excellent for use on leather briefcases, luggage and handbags. *Do not use on suede.*
