## GOLD CLASS™ LIQUID WAX

Meguiar's® most versatile, one step wax specially formulated to produce eye-dazzling results. Rich conditioning oils and legendary gentle cleaning ability make it an excellent choice for daily drivers exposed to the elements.

**Part #:** G-1214 -14 oz Paste with applicator  
G-1216 – 16 oz Liquid

**Packaging:** 14 oz Paste - 6 per case  
16 oz Liquid - 6 per case

**Features:**

- Improved Gloss
- Longer-Lasting Beading
- Fine Swirl Removal

**pH:** 8

**Paintable:** No

**Dilution:** RTU (Ready to use)

**Application Method:** Apply by hand, wipe off

**Directions:** **Shake Liquid wax well.** For best results apply to a clean, cool surface in the shade. If surface has been contaminated, blemishes or deep swirl marks, surface preparation with a clear coat safe cleaner such as ScratchX may be required. Apply a small amount of product onto the applicator pad and spread an even, thin coat over the entire vehicle and let dry. Remove with Meguiar's Gold Class Supreme Shine™ Microfiber or 100% cotton terry cloth towel, turning a clean portion for the liquid product may be used with an orbital buffer or D.A. polisher. **KEEP OFF RUBBER, VINYL, AND NON-PAINTED SURFACES.**

**Health rating:**

Health:	1
Fire:	1
Reactivity:	0
Specific Hazard:	N/A
