MEDIUM GRADE
Automotive Refinishing Tape

WE'VE MADE A GOOD PRODUCT EVEN BETTER!

We heard our customers and we took action. American® brand AM auto refinishing tape is better than ever!

IMPROVED PRODUCT FEATURES INCLUDE:

- Better bonding to itself for improved painting process performance
- Enhanced vibrant aqua color
- Consistent, smooth unwind

Of course, we've kept the same great features that make AM a cost-effective solution designed to perform in many automotive refinishing applications.

- UV resistant up to 3 days
- Resists paint flaking and wet sanding
- Works with both solvent and waterborne paints
- Clean removal

The rubber-based adhesive provides secure adhesion to both painted and bare metals and plastics, yet removes cleanly without adhesive residue, paint "flaking" from backside or surface staining.

For the best finish, get the best start with American® brand AM!
