- Features:**
- Foams away dirt and grime
 - Detergent free to guarantee gentle cleaning
 - Perfect lubricant for use with Unigrit® sanding products – simply add to the water
- pH:** 8.5
- Paintable:** Yes
- Dilution:** RTU (Ready to use)
- Application Method:** Dilute with water
- Directions:** TO WASH: SHAKE WELL: Apply in the SHADE on COOL SURFACE. Rinse vehicle with a spray of water. In a clean bucket, mix one ounce of Hi-Tech Wash per gallon of water. Using a clean mitt, apply liberally, working from the roof down. TO RINSE: Beginning with the roof and working down, rinse with a FLOW of water (not a spray) which allows the water to sheet off and reveal a slick glossy finish. Finish by wiping off any remaining water with a chamois or a clean, dry, quality 100% cotton terry cloth towel.
